

VERIFIED STATEMENT CLAIMING SMALL ENTITY STATUS
(37 CFR 1.9(f) and 1.27(c)) - SMALL BUSINESS CONCERN

Attorney Docket No.: DEC 101

Applicant or Patentee: Kevin A. Kelly et al.
Serial Or Patent No.: _____
Filed or Issued: HEREWITH
Title: CHEST COMPRESSION APPARATUS FOR CARDIAC ARREST

I hereby declare that I am:

- ☐ the owner of the small business concern identified below:
☒ an official of the small business concern empowered to
act on behalf of the concern identified below:

Name Of Small Business Concern: Deca-Medics, Inc.
Address Of Small Business Concern: 4101 Leap Road
Hilliard, Ohio 43026

I hereby declare that the above identified small business concern qualifies as a small business concern as defined in 13 CFR 121.12, and reproduced in 37 CFR 1.9(d), for purposes of paying reduced fees to the United States Patent and Trademark Office, in that the number of employees of the concern, including those of its affiliates, does not exceed 500 persons. For purposes of this statement, (1) the number of employees of the business concern is the average over the previous fiscal year of the concern of the persons employed on a full-time, part-time or temporary basis during each of the pay periods of the fiscal year, and (2) concerns are affiliates of each other when either, directly or indirectly, one concern controls or has the power to control the other, or a third party or parties controls or has the power to control both.

I hereby declare that rights under contract or law have been conveyed to and remain with the small business concern identified above with regard to the invention described in:

- ☒ the specification filed herewith with title as listed above.
☐ the application identified above.
☐ the patent identified above.

If the rights held by the above identified small business concern are not exclusive, each individual, concern or organization having rights in the invention must file separate verified statements averring to their status as small entities, and no rights to the invention are held by any person, other than the inventor, who would not qualify as an independent inventor under 37 CFR 1.9(c) if that person made the invention, or by any concern which would not qualify as a small business concern under 37 CFR 1.9(d), or a nonprofit organization under 37 CFR 1.9(e).

Each person, concern or organization having any rights in the invention is listed below:

- (XX) no such person, concern, or organization exists.
() each such person, concern or organization is listed below.

Separate verified statements are required from each named person, concern or organization having rights to the invention averring to their status as small entities. (37 CFR 1.27)

I acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate. (37 CFR 1.28(b)).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

PATENT APPLICATION AND INVENTION ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the undersigned, Kevin A. Kelly, of 744 Amity Rd. Galloway OH, Thomas E. Lach, of Columbus Ohio, Ralph D. Lach, of 2427 Tremont Rd. Columbus OH, and Arthur W. Handsby, of 6728 Lakeside Worthington, OH

Hereby sell, assign and transfer to Deca-Medics, Inc., a corporation of OHIO, having a place of business at 4101 Leap Road, Hilliard, Ohio 43026, its successors, assigns and legal representatives, the entire right, title and interest (excepting the reversionary interest discussed below) for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, which is executed concurrently herewith and is entitled CHEST COMPRESSION APPARATUS FOR CARDIAC ARREST (DEC 101), and in and to said application including all rights of priority arising therefrom and in and to all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; provided that the undersigned inventors retain a reversionary interest under which the right, title and interest sold, assigned and transferred hereby reverts to the undersigned inventors automatically and without the need for further documentation upon the bankruptcy or the filing of papers seeking the protection of bankruptcy of the Assignee or its successors in interest while the same holds the right, title and interest transferred hereby, the insolvency or ceasing of business operations of the Assignee or its successors in interest while the same holds the right, title and interest transferred hereby, or an equivalent of bankruptcy, filing of bankruptcy papers, insolvency or ceasing of business operations;

Agree that said Assignee may apply for, receive and maintain Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue and all other patent applications on any and all said improvements for the U.S., all other countries and under treaties; execute all rightful oaths, assignments, powers of attorney and other papers for the U.S., all other countries and under treaties, communicate to said Assignee, its successors, assigns and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider

desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives for the U.S., all other countries and under treaties;

Hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of said Assignee to apply for a patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

PATENT APPLICATION AND INVENTION ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the undersigned, Kevin A. Kelly, of 777 Amity Rd. Galloway OH, Thomas E. Lach, of Columbus Ohio, Ralph D. Lach, of 2427 Tremont Rd. Columbus OH, and Arthur W. Handshy, of 6728 Lakeside Worthington, OH

Hereby sell, assign and transfer to Deca-Medics, Inc., a corporation of OHIO, having a place of business at 4101 Leap Road, Hilliard, Ohio 43026, its successors, assigns and legal representatives, the entire right, title and interest (excepting the reversionary interest discussed below) for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, which is executed concurrently herewith and is entitled CHEST COMPRESSION APPARATUS FOR CARDIAC ARREST (DEC 101), and in and to said application including all rights of priority arising therefrom and in and to all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; provided that the undersigned inventors retain a reversionary interest under which the right, title and interest sold, assigned and transferred hereby reverts to the undersigned inventors automatically and without the need for further documentation upon the bankruptcy or the filing of papers seeking the protection of bankruptcy of the Assignee or its successors in interest while the same holds the right, title and interest transferred hereby, the insolvency or ceasing of business operations of the Assignee or its successors in interest while the same holds the right, title and interest transferred hereby, or an equivalent of bankruptcy, filing of bankruptcy papers, insolvency or ceasing of business operations;

Agree that said Assignee may apply for, receive and maintain Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue and all other patent applications on any and all said improvements for the U.S., all other countries and under treaties; execute all rightful oaths, assignments, powers of attorney and other papers for the U.S., all other countries and under treaties, communicate to said Assignee, its successors, assigns and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider

desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives for the U.S., all other countries and under treaties;

Hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of said Assignee to apply for a patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority, and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
